NMRA derives approximately 30% of its income from memberships and daily non-member users. The remainder comes from donations and fundraisers, mainly food sales.

The Board is always looking for ways to generate income that will supplement the pool operations. Please support the pool so that we can continue its operation for the enjoyment of local residents. We are in need of new board members. Consider volunteering: board members get a free family pass for the summer.

Special thanks to our volunteers and donors.
